Event Summary

The Cultural Committee of Maratha Mandal's College of Pharmacy, Belagavi successfully organized a **Vegetable and Fruit Craft Competition** on **30 June 2026** at **3:00 PM** in the college function hall. The competition was conducted with the theme "**Nature and Wildlife**" to encourage creativity, environmental awareness, and artistic expression among students and staff.

Participants from D.Pharm, B.Pharm, M.Pharm, and faculty members enthusiastically created innovative models of birds, animals, flowers, trees, forests, and other wildlife using vegetables and fruits. The event showcased remarkable imagination, craftsmanship, and teamwork while emphasizing the importance of nature conservation.

The exhibits were evaluated based on creativity, originality, relevance to the theme, presentation, and effective use of natural materials. The judges appreciated the participants for their innovative ideas and eco-friendly approach. The competition created a lively atmosphere and encouraged healthy interaction among students from different departments.

The event concluded with the announcement for appreciation of all participants for their enthusiastic involvement. The program was successfully coordinated by **Dr. Devika Kotekar**, whose efforts ensured the smooth conduct of the competition.

Outcomes of the Event

1. Enhanced students' creativity and artistic skills through innovative vegetable and fruit craft designs.
2. Increased awareness about **nature conservation**, biodiversity, and wildlife protection.
3. Encouraged the use of eco-friendly and biodegradable materials for creative activities.
4. Improved teamwork, planning, and time-management skills among participants.
5. Promoted healthy competition and active participation among students and staff.
6. Developed confidence and presentation skills while explaining craft concepts.
7. Strengthened interaction and collaboration across different academic programs.
8. Inspired participants to appreciate the beauty and importance of natural resources.
9. Fostered environmental responsibility and sustainable thinking.
10. Successfully achieved the objective of integrating creativity with environmental awareness under the theme "**Nature and Wildlife.**"

Conclusion

The **Vegetable and Fruit Craft Competition** was conducted successfully and received enthusiastic participation from students and staff. The event effectively combined creativity, environmental education, and teamwork, making it both enjoyable and informative. It encouraged participants to express their artistic talents while promoting the message of protecting nature and wildlife, thereby making the program a meaningful and memorable experience for everyone involved.
